

Join Community Food Rescue to donate food, fight hunger, and prevent food waste

Community Food Rescue (CFR) is the coordinated food recovery network of Montgomery County, Maryland.

If you are a Montgomery County licensed food business, DONATE unused food:

We seek licensed food businesses (such as restaurants, caterers, groceries, farmers, farmer's markets, institutions, etc.) in Montgomery County to donate food. It's easy to use our FREE web-based software to auto-match and redirect unsaleable food to hunger assistance organizations.

Why should my business donate food?

- **Fill bellies instead of the landfill.** In Montgomery County, 146,000 tons (23%) of all solid waste is food waste, and 70,000 (8%) of residents may not know where their next meal will come from. Your food donations will help achieve the county's recycling goal of 70% by 2020.
- **Make your food donations count** toward our countywide goal of reducing food waste by 20%.
- **Protect against liability** automatically through the Federal Good Samaritan Act.
- **Take an enhanced tax deduction** (for designated business entities).
- **Promote your business** through CFR's recognition program.
- **Distinguish your business** through Food Recovery Certification. The first 15 businesses to participate in CFR will receive a **free one year certification!**
